Subject: CWS Rates Increase

I live at 8 Indian Creek Trail, Lexington, SC at Lands End (Watergate) Condos. I'm absolutely against CWS getting a rate increase. We have problems with the water and the odors coming from their plant. At times, it is unbearable to be outside and also in your home.

This has been an ongoing problem with our community for years. I personally feel it has been an unhealthy situation. I also know it has hurt the value of our real estate. Would you put thousands of dollars into a home under these conditions?

I hope you will take these issues under strict consideration. Thank you for your time and efforts!

Sincerely,
Gail Smith
